Your voices have been heard, as we try to maximize our class schedule with more morning, afternoon and evening times for all age groups. The new FitGym program will be for children 6 months through 8 years of age at a cost of \$10/hour and \$5 extra for each additional sibling. Potty trained and up can be dropped off during our FitGym times. With more instruction than open gym and less focus than a class, our FitGym Fall will focus on balance and body control. Each week a different obstacle course and drills will challenge all age groups in a fun and exciting environment. Use FitGym as an additional supplement to your child's other sports, open up free time for workouts or errands, or just enjoy some fun bonding time while wearing your child out, we look forward to seeing you soon. This is open to everyone, so members and non-members are welcome!
